SPRING SEMESTER 2017 ENRICHMENT CLASSES

HEAD

HEART

HANDS

The philosophy at the 14th Street Y After School is that programming should center on engaging heads, hearts, and hands. Classes are taught by our counselors and professional teaching artists. Your after schooler will take a class of their choosing (choose two per semester unless specified that the class is 2 quarters) that centers on movement, the arts, or exercising their brain.

Please Note:

- No more than 14 students per class (some classes are smaller) and they may not take the same class twice (unless it is a continuing class)
- Youth Sports and Aquatics require an extra fee
- STUDY HALL IS OFFERED EVERY DAY—Please specify if you want your child to do homework instead of enrichment.
- If your child does not like the class, they may change after the first week (space permitting.)
- Fridays we celebrate Shabbat and have an hour long swim period (no enrichment offered)

Please return last page to Patrick P Wise@14streety.org (email or hardcopy)

Register early as classes fill up.

MONDAYS

Making A Musical (All Ages) Musicals are great. Wicked, Hamilton, and Pippin are all amazing feats in musical theatre. But what if you could make your own?! In this class we will be creating our OWN musical. We will be working together and making our own music, songs, dances, and scenes. A musical that will be created by this class and then head straight to BROADWAY!

Crafts with Shelly (K-1st) Youngers will learn and experience a variety of art mediums: painting, sketching, coloring, clay and more. Each week we will focus on a new craft and skill to get participants engaged in many different styles and types of creating.

Mad Scientists! (K-1st) Join Luis, Assistant Unit Head of Science and Technology from New Country Day Camp, in exploring the world of science! Experiment, learn, discover, and destroy- All in the name of science!

Camp Games (K-1st) An active games class just for youngers! Students will have the opportunity to play Steal the Challah, Fishy Fishy, Simon Says and other favorite games from Camp.

Building Club (K-1st) Let your inner engineer shine in this class for those of us who can't stop building LEGO towers. Build structures from the bottom up using LEGOS, Lincoln Logs, paper, cards, sticks, and Jenga blocks. Kids will learn how we use math in real life outside of the homework room. Who knows, maybe you're the next Frank Lloyd Wright!

Indoor Ball Games (2nd-5th) Just because we're stuck inside doesn't mean we can't move around and play a bunch of fun ball games. Knock out your opponents in four square, dodge-ga and make up some of your own games.

Dungeons & Dragons (3rd-5th) Using the power of imagination and 20-sided dice, Shane will take your kids on a journey of mystery and intrigue in the all new Dungeons and Dragons class. Lovers of storytelling and adventure should be sure to stop by!

Pokemon Club (2nd-5th) Love Pokémon? Well then you're in luck! Join Pokémon club where we spend an hour every week battling our pocket monsters and learning the ins and outs of their universe! Cards are not required.

Spy Kids (2nd-5th) New class from our new staff member, Colby! The class will comprise of a fun mix of historical lessons, pop culture, and classroom activities such as cracking codes and finding and interpreting clues. Learn about gadgets, famous code breakers, and go undercover!

Ballet (3-7yrs old) **SOLD OUT** Can you say plié? Creative movement encourages self-expression. Beginners enjoy stretching, leaping and improvisational movement while combining dance and theatre techniques. Intermediate dancers develop basic foot, arm and body placement and posture. Students work at the bar for balance and development of strength, discipline and flexibility. ***Note this class is offered at an additional fee. Fees are listed on the schedule* For classes held before regular enrichment time (4:15-5:15pm) an additional class must be selected for the enrichment period.** See www.14streety.org/youthsports for more information

Dribble + Thrill Basketball (5-6yrs old 3:30-4:15 **SOLD OUT** // 7-8 yrs old 4:15-5:15 **STILL OPEN** // Girls 6-9yrs 4:15-5:15pm **STILL OPEN**) See www.14streety.org/youthsports for more information ***Note this class is offered at an additional fee. Fees are listed on the schedule* For classes held before regular enrichment time (4:15-5:15pm) an additional class must be selected for the enrichment period.**

TUESDAYS

Chess + Board Games (All Ages) This class welcomes old and new players of board games alike. This includes classic games such as chess and checkers, and introduces some more complex games such as Settlers of Catan and Dominion. Be ready for multi-week adventure, full of fun and challenges!

Art With Eve (K-1st) Eve has been teaching art at the 14th Street Y Pre-School and the Afterschool Program for a number of years. In this class, After Schoolers will express themselves creatively through art. Year after year after schoolers amaze us with the work Eve encourages them to create. Some projects from past years include yarn apples, bird's nests, paper mache birds and dolls, horse marionettes, collages; clay based recycled paper flower bouquets, portfolio books, silhouette paintings and more! Sign up to have another fun filled time in Art with Eve! (Please limit selecting Art with Eve to only one day per week, so that every after schooler has a chance to take art class each semester.)

Gaga (K-1st) Gaga is a physical class that allows children to exert lots of energy through running, dodging, and fun. It also incorporates the ideals of teamwork, strategic thinking, and creativity in making new variations of the game. Some of these variations include Silent Gaga, Team Gaga, Dodge-Ga, Freeze-Ga, Golden Snitch Gaga, Chickens vs Farmers, Poison Wall, Sticky Ninj-Ga, and Build-A-Ga.

Spanish (K-1st) Hola y bienvenidos a la clase! Amalia will take youngers through the basics of Spanish with fun activities. A new class added this year. No experience necessary, this class is for true beginners.

Chinese (K-1st) Join us to learn Mandarin Chinese while also exploring Chinese culture and traditions! Children will gain exposure to the Chinese phonetic alphabet through listening and speaking. They will also gain an understanding of how to compose Chinese characters using strokes.

Photography (2nd-5th) This class for olders will take you through the history of photography by experimenting with different photographic techniques! Bridget will bring in a professional digital SLR camera, polaroid cameras, iPads, and digital point and shoot cameras to give students a hands-on opportunity to experiment with photography while learning about technique. We will have opportunities to make our own photographs, while some classes might be spent making group photographs (and learning about slow shutter speeds with glowsticks and flashlights)!

Pop Up Shop (2nd-5th) We are open for business! During this class we will learn what it takes to start a business; we will make all items by hand, advertise our products, and sell our items at our end of semester showcase. All proceeds go to the after school scholarship fund. If you like arts and crafts (t-shirt and jewelry making, painting, etc.) and getting creative, this is the class for you!

Knitting (2nd-5th) Knitting is a hands-on class to learn the basics of how to knit. It will cover how to cast on and knit rows as well as teach students about the different types of knitting tools and techniques. With this foundation knowledge, students will have the ability to create many fun projects!

Rebounds + Buckets / Girls Basketball (5-8yrs 3:30-4:15pm **SOLD OUT** // 8-10yrs 4:15-5:15pm **STILL OPEN**) (Girls: 10-14yrs 4:15-5:15pm **STILL OPEN**) See www.14streety.org/youthsports for more information ***Note this class is offered at an additional fee. Fees are listed on the schedule*** For classes held before regular enrichment time (4:15-5:15pm) an additional class must be selected for the enrichment period.

Gymnastics (5-6 yrs old **SOLD OUT** 6-7yrs old **STILL OPEN**) This program introduces your child to tumbling and gymnastics, focusing on basic mat exercises, balance beam, and cart wheels while improving your child's strength, balance, flexibility and coordination in a non-competitive environment. ***Note this class is offered at an additional fee. Fees are listed on the schedule*** For classes held before regular enrichment time (4:15-5:15pm) an additional class must be selected for the enrichment period. See www.14streety.org/youthsports for more information

WEDNESDAYS

Girl's Gaga (All Ages- Girl's Only) Gaga is a physical class that allows children to exert lots of energy through running, dodging, and fun. It also incorporates the ideals of teamwork, strategic thinking, and creativity in making new variations of the game. Some of these variations include Silent Gaga, Team Gaga, Dodge-Ga, Freeze-Ga, Golden Snitch Gaga, Chickens vs Farmers, Poison Wall, Sticky Ninj-Ga, and Build-A-Ga.

Hip Hop Dance (All Ages) Get that heart pumping with specialist Tara. Professional Dancer, Tara Crichlow brings classic Hip Hop moves and music to the studio every week, learning basic break dancing, popping and locking and fierce poses. This class has a performance.

Drama Kids (K-1st) Take the stage in this beginners theater class designed to encourage confidence and poise while learning to use your body, words, and actions to tell a story. Whether silly or serious, kids will get a chance to see what it's like to be the center of attention and captivate an audience. This class will culminate with a performance.

Wood Crafts (K-1st) Join Shelly every week to create wooden masterpieces using popsicles, googly eyes, glue, paint and more! From birdhouses to picture frames to puppets, there's no limit to what you can create!

Art with Eve (K-1st) An after school favorite! See description in Tuesday list. May only take once a semester.

World Cooking (2nd-5th) - Travel the world and learn how to make delicious healthy dishes from around the globe. Everything from the math behind measuring to cleaning up the kitchen will be learned in this class. Most importantly, you'll master cooking tasty dishes like vegetable pizza, bruschetta, and quesadillas, and be able to help with dinner!

Table Tennis (2nd-5th) Learn how to play table tennis! Children will learn the rules of table tennis as they participate in practice sessions and compete in friendly tournaments. They will build hand-eye coordination skills while developing competitive ambition. Most importantly, children will have fun exerting energy in a positive way.

After School Action Team News (2nd-5th) In this class, Bridget will lead a team of news reporters, videographers, and journalists to deliver the breaking news at Afterschool! We'll travel from class to class, interviewing the stars of Afterschool and getting footage of behind-the-scene moments! The class will culminate in a short video news report broadcasted at the end of semester show.

Karate (2nd-5th) Learn the basic foundations of martial arts! In this class we will be focusing on strengthening both mind and body through physical conditioning, focusing exercises, and tons of teamwork. Whether you are an aspiring martial artist, an athlete who wants to improve their agility, or a curious challenge seeker - you'll get a kick out of this class! **Note we will not be able to issue belts in this class.*

Julie's Groove Crew (4-5.5yrs old **SOLD OUT**) Have fun creating new dance moves and developing rhythm, coordination, and body awareness. Your child will benefit from the Brain Dance, which integrates the primary reflexes, the foundation for healthy brain development. Great for boys and girls alike! ***Note this class is offered at an additional fee. Fees are listed on the schedule*** See www.14streety.org/youthsports for more information

Hard to Guard Basketball (10-14yrs old) Geared towards the advanced player looking to further their playing level, this class will focus on dribbling, offensive movement and defensive moves developed through mock games and intensive drills. Tryout with Coach Marcus is mandatory before registering for this class. ***Note this class is offered at an additional fee. Fees are listed on the schedule*** See www.14streety.org/youthsports for more information

THURSDAYS

Shabbat Players (All Ages) Work with Rachel and your fellow after-schoolers to write and act out mini-plays to be performed at Shabbat on Friday! Stretch your acting muscles, meet new friends, and have the opportunity to share fun lessons and stories with the entire after school during Shabbat. **Students taking this class should be present on Fridays in order to perform during Shabbat**

Shabbat Band (All Ages) Work with Miles and your fellow after-schoolers to learn the Shabbat songs and play/sing them at Shabbat on Friday! If you like to sing the Shabbat songs or just want to jam with Patrick and Miles on Friday, this is the class for you! **Students taking this class should be present on Fridays in order to perform during Shabbat**

Music Makers (K-1st) Learning rhythm through instruments similar to bongos and the conga and shakers along with other instruments. Children will learn how to play these instruments to simple sing-along songs. Each class will consist of free time for children to make their own music or beats with what they've learned the day before.

Cooking (K-1st) Learn the basics of cooking! Learn to cut, prep, and cook simple delicious meals in the fun after school environment. Try new foods and learn how to help out with dinner at home!

Globe Trekkers (K-1st) Travel the world without leaving the classroom! Justice will take this class on a tour of world culture, history, music, and fun! Visit a new part of the world each week, learn a little bit of the local language, learn all about the nation's history, sample some cuisine, and maybe even discover mysterious hidden treasures along the way.

Art with Eve (2nd-5th) An after school favorite! See description in Tuesday list. May only take once a semester.

Filmmaking (2nd-5th) This class, taught by Justin Perkins of New Country Day Camp, is designed to teach kids the basics of filmmaking. Using cameras and editing software, kids will learn the filmmaking process from storyboarding to final cuts and show off their projects at the end of semester show!

Anime Ensemble (2nd-5th) If you like the Japanese Cartooning style, Anime, this is the class for you! Learn techniques for drawing different types of characters and faces; students will also write their own stories and learn how to create panels, incorporate text, and design pages.

Paper Creations (2nd-5th) Join Ms. Marion in using recycled materials to create art! Use recycled bottles, cardboard, and paper to create beautiful pieces of art! This class uses paper mache, paint, and glue so be prepared, but don't be scared, to get messy.

Super Stars Tennis (4-6 yrs old 3:30-4:15PM **SOLD OUT** 7-10 yrs old 4:15-5:15PM **STILL OPEN**) ***Note this class is offered at an additional fee. Fees are listed on the schedule* For classes held before regular enrichment time (4:15-5:15pm) an additional class must be selected for the enrichment period.** See www.14streety.org/youthsports for more information

Super Soccer Stars (5-12yrs old) Get the ball rolling! Join Super Soccer Stars, New York City's most popular soccer development program, right here at the 14th Street Y. Dynamic international coaches work with every student to develop skills, self-confidence, and teamwork in a fun, non-competitive environment. Positive reinforcement and low child-to-coach ratios ensure that each child will improve his or her soccer skills through engaging warm-ups, activities, and games—all while having endless fun! ***Note this class is offered at an additional fee. For more information and to register, call (212) 877-7171, email info@supersoccerstars.com or visit supersoccerstars.com***
