SPRING SEMESTER Q3 2018 ENRICHMENT CLASSES

HEAD

HEART

HANDS

The philosophy of the 14th Street Y After School is programming that centers on engaging heads, hearts, and hands. Classes are taught by our counselors and professional teaching artists. Your after schooler will take a class of their choosing (choose two per semester unless specified that the class is 2 quarters) that centers on movement, the arts, or exercising their brain.

Please Note:

- No more than 14 students per class (some classes are smaller) and they may not take the same class twice (unless it is a continuing class)
- Youth Sports and Aquatics require an extra fee
- STUDY HALL IS OFFERED EVERY DAY—Please specify if you want your child to do homework instead of enrichment.
- If your child does not like the class, they may change after the first week (space permitting.)
- On Fridays we celebrate Shabbat and have an hour long swim period (no enrichment offered)

Please email choices to Rachel at RJoravsky@14StreetY.org

Register early as classes fill up.

MONDAYS

Table Tennis (2nd-5th) Learn basic strategies of this world-wide phenomenon. This class will work on competitive game-playing, hand eye coordination and sportsmanship in a fun environment!

Fun Factory (K-1st) Youngers will learn and experience a variety of art mediums: painting, sketching, coloring, clay and more. Each week we will focus on a new craft and skill to get participants engaged in many different styles and types of creating.

Lab Rats (K-1st) Science is truly all around us! In this class with Ian, students will be conducting experiments and exploring the science of the world around them. Get some hands on lab experience and unlock the scientific secrets of this planet we call home.

Camp Games (K-1st) An active games class just for youngers! Students will have the opportunity to play Steal the Challah, Fishy Fishy, Simon Says and other favorite games from Camp.

Harry Potter World (All ages) Get excited about reading through the magical world of Harry Potter! Tirosh and after schoolers will make potions, play Quidditch, and explore Hogwarts! Earn house points to win a big prize at the end of the quarter.

Indoor Ball Games (2nd-5th) Just because we're stuck inside doesn't mean we can't move around and play a bunch of fun ball games. Knock out your opponents in four square, dodge-ga and make up some of your own games.

Dungeons & Dragons (3rd-5th)** Using the power of imagination and 20-sided dice, Pat will take your kids on a journey of mystery and intrigue in the all new Dungeons and Dragons class. Lovers of storytelling and adventure should be sure to stop by!
***NOTE: This is a 16 week class**

Knitting (2nd-5th) Knitting is a hands-on class to learn the basics of how to knit. It will cover how to cast on and knit rows as well as teach students about the different types of knitting tools and techniques. With this foundation knowledge, students will have the ability to create many fun projects!

Spy Kids (2nd-5th) A great spy never reveals his secrets... unless he's teaching a class on spying. Create your foolproof secret identity, encrypt messages containing sensitive information, break any code that comes your way, and learn how to hack into the CIA's mainframe compu...err, I mean, uh... play fun make-believe games with your friends!

Ballet (3-7yrs old) Can you say plié? Creative movement encourages self-expression. Beginners enjoy stretching, leaping and improvisational movement while combining dance and theatre techniques. Intermediate dancers develop basic foot, arm and body placement and posture. Students work at the bar for balance and development of strength, discipline and flexibility. See www.14streety.org/youthsports for more information ***Note this class is offered at an additional fee. Fees are listed on the website* For classes held before regular enrichment time (4:15-5:15pm) an additional class must be selected for the enrichment period.**

TUESDAYS

Afterschool Rockstars (K-1st) Join Jewel for some real live rocking and rolling! Release your inner rockstar in a class that includes drums, music, dancing, and so much more. It's gonna be a XTREMMEEEE!

Art With Eve (K-1st) Eve has been teaching art at the 14th Street Y Pre-School and the Afterschool Program for a number of years. In this class, After Schoolers will express themselves creatively through art. Year after year after schoolers amaze us with the work Eve encourages them to create. Some projects from past years include yarn apples, bird's nests, paper mache birds and dolls, horse marionettes, collages; clay based recycled paper flower bouquets, portfolio books, silhouette paintings and more! Sign up to have another fun filled time in Art with Eve! (Please limit selecting Art with Eve to only one day per week, so that every after schooler has a chance to take art class each semester.)

Gaga (K-1st) Gaga is a physical class that allows children to exert lots of energy through running, dodging, and fun. It also incorporates the ideals of teamwork, strategic thinking, and creativity in making new variations of the game. Some of these variations include Silent Gaga, Team Gaga, Dodge-Ga, Freeze-Ga, Golden Snitch Gaga, Chickens vs Farmers, Poison Wall, Sticky Ninj-Ga, and Build-A-Ga.

DIY at the Y (K-1st) Stuck inside on a cold or rainy day with nothing to do? Welcome to DIY at the Y! In this class we will be taking on do-it-yourself activities that can also be conducted at home! Using simple, affordable materials that can be found in the kitchen or that overstuffed arts and crafts closet, we will make amazing creations that artists and scientists alike will love. You can expect volcanoes, foam painting, slime... and more!

Cooking (K-1st) See description on Thursday.

Folk Tales (K-1st) Folk Tales are cultural and morally driven stories which have been passed down through generations originally with oral retelling. The class will focus on the students' engagement in the stories, the exploration of different world cultures, and the strengthening of the students' imagination and storytelling skills. The children love the fantasy and adventure and will leave each class with a new story to tell.

After School Action Team News (2nd-5th) In this class, Bridget will lead a team of news reporters, videographers, and journalists to deliver the breaking news at Afterschool! We'll travel from class to class, interviewing the stars of Afterschool and getting footage of behind-the-scene moments! The class will culminate in a short video news report broadcasted at the end of semester show.

Shabbat Players (2nd-5th) Work with Rachel and your fellow after-schoolers to write and act out mini-plays to be performed at Shabbat on Friday! Stretch your acting muscles, meet new friends, and have the opportunity to share fun lessons and stories with the entire after school during Shabbat. ***Students taking this class should be present on Fridays in order to perform during Shabbat***

Space Team (2nd-5th) Take a giant leap for mankind every week and explore the outer reaches of space! We'll learn all about the planets and stars and mount our own (digital) manned mission through space, giving every student the chance to know how it feels to be a NASA astronaut, a Star Trek crew member, or a friendly alien life form. Ensign... ENGAGE!

Origami (2nd-5th) Want to learn how to fold paper into cool shapes? Ever wondered how to make an elephant out of paper? It's possible with Origami! In this class students will master the ancient art of origami and end up with a zoo of paper wonders!

CoEd Basketball / Girls Only Basketball (5-8yrs 3:30-4:15pm // 8-10yrs 4:15-5:15pm) (Girls: 10-14yrs 4:15-5:15pm) See www.14streety.org/youthsports for more information ***Note this class is offered at an additional fee. WEDNESDAYS

Girl's Gaga (All Ages/Girl's Only) Gaga is a physical class that allows children to exert lots of energy through running, dodging, and fun. It also incorporates the ideals of teamwork, strategic thinking, and creativity in making new variations of the game. Some of these variations include Silent Gaga, Team Gaga, Dodge-Ga, Freeze-Ga, Golden Snitch Gaga, Chickens vs Farmers, Poison Wall, Sticky Ninj-Ga, and Build-A-Ga.

Hip Hop Dance (K-1st) Get that heart pumping with specialist Tara. Professional Dancer, Tara Crichlow brings classic Hip Hop moves and music to the studio every week, learning basic break dancing, popping and locking and fierce poses. This class has a performance.

Spanish (K-1st) Hola y bienvenidos a la clase! Rachel will take youngers through the basics of Spanish with fun activities and spoken practice. No experience necessary, this class is for true beginners.

Wood Crafts (K-1st) Join Shelly every week to create wooden masterpieces using popsicles, googly eyes, glue, paint and more! From birdhouses to picture frames to puppets, there's no limit to what you can create!

Art with Eve (K-1st) An after school favorite! See description in Tuesday list. **NOTE: May only take once a semester.**

You Made It (K-1st) Clothes are something we all gotta wear, but what if you could make your own? In this class we will construct our own outfits from high fashion to superheroes to monsters to royalty! The kids will design and craft outfits from top to bottom based on their passion!

World Cooking (2nd-5th) - Travel the world and learn how to make delicious dishes from around the globe. Everything from the math behind measuring to cleaning up the kitchen will be learned in this class. Most importantly, you'll master cooking tasty dishes like vegetable pizza, bruschetta, and quesadillas, and be able to help with dinner!

Game Masters (3rd-5th) Game Masters introduces kids into creating and running their own game. Kids will learn how to prepare for gaming sessions, create a fun and engaging atmosphere for players, be inclusive to different types of players and friends, and adjust to unexpected changes. Being a game master is about setting up a game for fun for others to enjoy! Over 8 weeks kids will learn valuable lessons for inclusive, fun, competitive but not aggressive play. Game Masters will cover role playing games, improve, and other classics such as Pictionary, Charades, Guess Who, and various other fun games to play right here at after school. If you like to play games with your friends this is the class for you!

Photography (2nd-5th) This class for olders will take you through the history of photography by experimenting with different photographic techniques! Bridget will bring in a professional digital SLR camera, polaroid cameras, iPads, and digital point and shoot cameras to give students a hands-on opportunity to experiment with photography while learning about technique. We will have opportunities to make our own photographs, while some classes might be spent making group photographs (and learning about slow shutter speeds with glowsticks and flashlights)!

Pinewood Derby (2nd-5th) Build a pinewood derby car from scratch and learn tips and tricks on how to make yours the fastest car at the track. We'll learn the basics of how cars are put together, and build everything along the way with our own two hands. Except an engine, that is. The school year's here, and the time is right for racing in the streets!

Hard to Guard Basketball (8-10 yrs old 3:30-4:15pm; 11-14yrs old 4:15-5:15pm) Geared towards the advanced player looking to further their playing level, this class will focus on dribbling, offensive movement and defensive moves developed through mock games and intensive drills. Tryout with Coach Marcus is mandatory before registering for this class. See www.14streety.org/youthsports for more information ***Note this class is offered at an additional fee. Fees are listed on the website* For classes held before regular enrichment time (4:15-5:15pm) an additional class must be selected for the enrichment period.**
