At the 14Y, your child's afternoon will be full, festive, and active through 6:00 PM – all in a safe and supportive environment.

Each afternoon includes homework help and a healthy snack, plus supervised swimming in our beautiful indoor pool on Mondays and Fridays. Children select their choice of classes centering on movement, the arts, intellectual discovery, and more!

## Age-appropriate classes include:

- Arts and Crafts
- Cooking
- Dance
- Drama
- Drones (STEM)
- Gaga
- Gymnastics
- Photography & Journalism
- Martial Arts
- and so much more!

Our signature enrichment classes are taught by specially trained counselors and professional teaching artists.

Transportation from many nearby schools is included with tuition. Review a list of schools and other transportation details at [14StreetY.org/ASPartnerSchools](https://14StreetY.org/ASPartnerSchools)
