WHAT OUR FAMILIES SAY ABOUT NEW COUNTRY DAY CAMP

A SUMMER OF MEANINGFUL ADVENTURE

“Our son loves NCDC. He even said yesterday that he would like to go to college at NCDC. He’s made wonderful friends since the beginning and keeps adding new friends to the mix.”

“From the welcome picnic until the final day, my daughter felt comfortable and supported. She tried new foods and new sports, and made new friends. She came home happy and tired, which is what camp is all about.”

EXPERT STAFF YOU CAN TRUST

“As parents we felt confident throughout summer that they were in a warm, supportive, safe environment, and we are all already looking forward to next summer at NCDC!”

“The counselors are warm and amazing, it was awesome that the camp provided lunch and towels, it made prep so much easier!”

AN OPEN TENT CAMP WHERE ALL CAN THRIVE

“The inclusion program is exceptional. We could not believe the incredible effort that staff made to really understand our son well before the summer even started. Because all the right supports were in place, he thrived.”

“As parents of a gender questioning camper, we felt inclusion was a strong component from the very beginning. This is not something you find in all camps and we saw as a real strength in NCDC.”
