

NEW TOWN DAY CAMP

FOR CHILDREN 2-5 YEARS JUNE 28 – AUGUST 12

A SUMMER OF FUN AND FRIENDS

At the 14Y's New Town Day Camp (NTDC), children gather together to celebrate summer and make friends in a safe and nurturing environment.

Daily fun includes closely supervised use of the heated indoor pool, gymnasium, well-equipped air-conditioned classrooms, and our beautiful rooftop playground and sprinkler area!

All children 3 and older participate in the 14Y's American Red Cross Learn to Swim program, taught by certified water safety instructors with the help of camp counselors.

Campers of all ages especially love to play every day on our beautifully constructed rooftop playground, complete with sprinklers and shaded areas.

“Summer Camp at the 14Y was the best choice for my toddlers! The environment is packed with fun-filled activities including swimming every day, and yet the counselors and staff made time to ensure my kids’ emotional needs were met. I am grateful to have found an exciting and loving summer spot!” —Camp Parent

Discounts available for 14Y and MCC members as well as 14Y Preschool families. Sibling and referral discounts are also available!

HEALTH AND SAFETY

We are committed to your child's health and safety, and have implemented policies and procedures to keep children, families, and staff safe while keeping a warm and nurturing environment.

We follow all NYC DOH guidelines and require all campers ages 5 and older be fully vaccinated by their first day of camp. We will be monitoring the situation for children younger than 5 years. Please note, these guidelines are subject to change.

Questions? Email Jill Shely, Associate Director of Early Childhood and Director of NTDC at JShely@14streety.org.
