

New York City's COVID-19 Alert Level was moved up to **HIGH** on May 17, 2022.

Please remember, masks are still **REQUIRED** in:

- All common areas of 14Y, including our lobby, restrooms, elevators, and hallways.

Please remember that this includes masking on your way to and from the fitness center, gymnasium, fitness studio, and locker rooms. Masks may be removed only when you reach the Fitness Center floor.

- All Early Childhood areas, including during drop off and pick up.

Please stay home if you are sick,
and wash your hands or use sanitizer often.

Thank you for helping to protect our most
vulnerable community members.
