

CHILDCARE SERVICES

For Children Ages 6 Months and Up

Parents of young children can work out worry-free!
We offer affordable and convenient childcare services staffed by caring professionals.

Hours: Mondays – Wednesdays | 9:30 AM – 1:30 PM

Cost: \$10 per hour, per child

Location: 14Y Room 202

We maintain a low child-to-staff member ratio to ensure a safe and supportive environment for your child, with up to five children for every one staff caregiver.

Childcare services are offered on a first come, first served basis and there is a 2-hour maximum timelimit per session. Parents must remain on the premises of the 14th Street Y while using childcare services.

Childcare is open to 14Y members only. You do not need to have a 14Y family membership to take advantage of childcare – as long as the parent or caregiver is a member, their child is eligible.
