

OUR MISSION AND VALUES

New Country Day Camp (NCDC) is an open-tent community that celebrates and sustains joyful outdoor summer experiences where all can thrive. We are guided by four core values: Growth, Empathy, Respect, and Passion.

WE ARE AN INCLUSIVE COMMUNITY

We are an open-tent community, and encourage growth and creativity for all of our campers, including campers with disabilities or atypical support needs. Our support staff has extensive experience in social work and other mental health fields, and we provide for all in need to ensure campers have a fun and successful summer.

For questions about our support program, please email newcountry@14streeety.org.

“When we were discussing the highlights of 2021 as the new year came in, my son said ‘NCDC!’ Thank you for giving him a magical summer in the midst of a most chaotic and challenging year!” –NCDC Family since 2018

“What a gift to have my city kid enjoy the wonders of nature throughout the summer! I always feel so much peace of mind knowing he is outdoors, active, swimming and simply having a blast instead of being stuck in the city. The added benefit of knowing that camp places Jewish values at its core is priceless. If you ask him though, his favorites are lunch and the bus!” –NCDC Family since 2017

NEW COUNTRY PRIDE CAMP

A specialty program of NCDC, New Country Pride Camp (NCPC) is an open-tent community of LGBTQ+ youth and staff that celebrates and sustains joyful, outdoor summer experiences where all can thrive. For campers ages 5-13, NCPC is a specialized experience with activities focused on LGBTQ+ values like family, identity, and community.

“Pride Camp is a warm community with inclusion and understanding at its core. It’s a place where kids are able to bond over what makes them unique while building an experience you can’t get anywhere else.”

—NCPC Counselor

NCDC PROGRAMS

Our programs are rooted in Jewish values and empower campers to experiment and play in a supportive and nurturing environment. With kid-charged activities—from nature and science to arts and athletics, and two daily instructional or free swim sessions—your child is guaranteed to come home tired, dirty, and happy!

AT NCDC, YOUR CAMPER CAN CHOOSE TO PARTICIPATE IN PROGRAMS THAT DIVE INTO NATURE AND SCIENCE, THE ARTS, AND SPORTS.

SWIM

Lifeguards trained by the American Red Cross are ready to teach and encourage campers of all swim levels confidence in the water and new swimming skills. Campers swim twice a day; one period dedicated to instruction and one dedicated to free swim and play.

HEALTH AND SAFETY POLICIES

We are committed to the health and safety of your children. Camp staff are fully vaccinated and will follow the CDC and New York city mandates regarding COVID. These guidelines may be subject to change.

LABA

Every Friday we gather for LABA (the Hebrew word for “lava”) and it’s at LABA where ideas bubble up! In LABA, campers will learn about NCDC’s Jewish values and reflect on our weekly themes through physical activities, hands-on projects, and to celebrate Shabbat together in our amphitheater where all are welcome.
