

AMBULATORY SERVICES

PROJECT CONTACT OUTPATIENT
CENTER FOR RECOVERY AND WELLNESS (CRW)

CRW's Ambulatory services offers comprehensive substance use disorder treatment for individuals, families, and significant others. By offering outpatient services in transitional housing and other settings outside our walls, we are expanding access and reducing barriers to care.

SPECIALIZED SERVICES

- Trauma focused therapy, Anger management, Recovery and Wellness Coaching, Vocational Counseling, Housing case management, Recovery Club, Gender focused therapy, and Art therapy.
- All individual, group, psychiatric, and MAT services are offered in person onsite, via tele-health, or with a hybrid approach.
- Populations served include Adults, Adolescents, Co-occurring, LGBTQIA, Families, Couples, Significant Others, and the Formerly incarcerated.

TREATMENT TEAM

- Addiction medicine psychiatrist, RN, LMFT, Licensed Social Workers, CRPA's, and CASAC's.
