

14Y BLOOD DRIVE

In Partnership with New York Blood Center

Sunday, December 24 | 9:30 AM – 2:00 PM

1st Floor Studio A

It's the holiday season for us, but our blood supply never gets a day off.

That's why we're partnering with the New York Blood Center to address a critical shortage. You can help stabilize the local blood supply by donating – one blood donation has the ability to save up to three lives!

Scan the QR code to make an appointment
or visit 14StreetY.org/Community. Walk-ins are welcome!

All presenting donors will receive one pair of New York Blood Center branded socks!

Please remember to eat, drink, and bring your photo ID.
Appointments are preferred, but walk-ins will be welcomed if space permits.

Visit nybc.org for COVID-19 health and safety protocols.
