ABOUT DOWNTOWN TOGETHER CLUBS

Our Downtown Together Club Initiative is grounded in research showing that community well-being improves when people regularly gather around shared interests. Research on “third places,” or informal spaces outside of home and work, shows that they strengthen social ties, reduce isolation, and help build more resilient neighborhoods. Downtown Together Clubs put this research into practice through offerings ranging from cooking workshops and film discussions to salsa dancing, knitting groups, book circles, and more.

Actor/Playwright Group: Help bring brand-new plays to life through live cold readings and supportive feedback.

Bridge Club: Connect with other bridge enthusiasts for practice and play in a relaxed, social setting. Best for players with some experience.

Bridge to Community through Discussion: Connect with neighbors through thoughtful conversations on universal topics, from culture and identity to wellbeing and justice.

Creative Coloring Club: Take a break and tap into your creative side at our adult coloring club. Relax, play with color, and meet others in a stress-free setting. Materials provided.

Dancing Around the World: A dance series featuring dances from local artists and different cultures, such as Brazilian, Ukranian, Chinese, and more.

14Y Film Society: Gather for movie clips and conversation exploring what it means to grow older.

French Language Club: Practice your French and enjoy casual conversation in a friendly, welcoming group. Best for intermediate speakers looking to build confidence.

Gardening Club with Adamah NY: Help create a flourishing garden on the 14Y roof! This fall and winter, we will explore indoor gardening strategies, mushroom growing, and plan out the garden.

Downtown Together Clubs are funded by the Jewish Community Relations Council of New York and presented in partnership with the Chinese American Planning Council, Vision Urbana, and community leaders Daisy Paez and Graufen Olivares.

Knitting and Crochet Club: Work on your projects, swap tips, and connect with makers of all levels in our community knitting and crochet group under the guidance of a facilitator.

Lamp Making and the Art of Sashiko: In this hands-on workshop series, you will learn how to build a lamp and mend fabrics. Led by Repair Café El Barrio.

Salsa Dance Club: Learn the basics, then hit the dance floor at our free Salsa Club featuring an introductory lesson and social dancing. All levels welcome, no partner needed.

Tai Chi Club: Slow down and move with purpose through Tai Chi, a traditional practice that builds strength, improves posture, and encourages mindfulness.

The Creative Exchange Club: Express your inner self through art, writing, and conversation.

What's Cooking: A Community Food Club: Discover new flavors and connect with neighbors at our monthly community food club, featuring tastings, cooking demos, and more.
